### **Purity by Jonathan Franzen review piercingly brilliant**

The ambitious author, the would-be Great American Novelist (as Time magazine dubbed Franzen in a cover line), is, in his novels, a dependable figure of fun. Purity s Charles Blenheim, the latest hope for American fiction, is left, after a long period of writer s block,

### **The Purity Principle by Randy Alcorn Goodreads**

At 93 pages, The Purity Principle is a quick read. The book is geared more towards men than women, and offers Biblical advice on practicing purity. Randy Alcorn does a great job at taking out the "fluff" on the matter at hand and cuts to the chase. This approach really works, and I believe his message needs to be heard by the men of today's world.

100 pages to go (and I will finish) and reading a review in the LA Book Review despite trying to avoid all press, sums up my experience. What darkens Purity and weakens its realist musculature is Franzens atavistic treatment of male and female character.
