Is the Krakens Heart Like Yours

Is the Kraken's Heart Like Yours? The squid has three hearts: the central heart, like our heart, functions normally to circulate the blood through the body. The other two hearts work to supply blood to the gills. Like humans, when blood is pumping through the body it is delivering oxygen and nutrients.

Strategy Guide Guide for Lunar Silver Star Story Complete

I hope this clears up confusion. ^_^ -Some of the items, weapons, armor, and monsters listed in the special sections are based on the Sega CD version of Lunar: The Silver Star. Until I play through the game and fix this, they'll be like that. They should be pretty similar if not very alike to Lunar: Silver Star Story Complete, though.

A prime example of this would be "Look To Love," but others are spread over the entire
