### **Mike Matusow Check Raising the Devil**

188 Mike Matusow: Check-Raising the Devil Overall, Check-Raising the Devil is a fascinating read for those interested in seeing professional poker through the eyes of one of poker's larger-than-life figures. Matusow's story is certainly not typical to poker professionals, but that is what makes this book so

### **The Devil 2004 READ ONLINE FREE book by Leo Tolstoy in**

The Devil (2004) About book: It is generally supposed that Conservatives are usually old people, and those in favour of change are the Young. That is not quite correct. Usually Conservatives are young people: those who want to live but who do not think about how to live, and have not time to think, and therefore take as a model for themselves a way of life that they have seen. Eugene is a young

The Devil Rides Out (2010) About book: I'm not too keen on Paul O'Grady on TV, but really enjoyed his first autobiography so wanted to read this too. It's really interesting to read about his life; I knew he had worked in a children's' home, but didn't realise he had done so many 'caring' jobs.

### **The Work of David Wardale**

There is little point of writing my own version of what Dave has achieved as, in 1998, he published a book recounting his work. 'The Red Devil and Other Tales from the Age of Steam' is quite possibly the single most important book ever written on the steam locomotive. For anyone with an interest in

modern steam this book is absolutely essential reading.

### **Raising the Devil by Bill Ellis Goodreads**

-Bill Ellis, Raising the Devil Always fun to read about the Satanic Panic of the 70's and 80's. At times I felt the cohesion of the book was a little shaky but that could just be due to the sensational nature of the subject matter which can quickly overshadow the ideas being presented.
