Storyline 3. By Sam Carter. We have a lot of courses authored in SL1 and SL2. I believe most of us don't update all the SL1 courses to SL2 to do a minor tweak. There is too much chance that the update will cause hard-to-identify shifts of text and/or images, or more. It is clearly less work to do a minor update in SL1.

In the Storyline

I recently watched the movie Hacksaw Ridge because I enjoy the occasional war movie especially when it has some meaningful storytelling attached to it.
