### **Ion Cannon Warhammer 40k Fandom**

An Ion Cannon is an T'au Ion Weapon that is capable of engaging enemies at extremely long ranges with high energy ion streams; vaporising flesh and metal with equal ease. These high-energy particles are accelerated by an electromagnetic field and react explosively with the target as a result of direct transfer of energy at an atomic level. The Ion Cannon was developed during the T'au Empire's

### **Tau Codex Review Formations Riptide Wing Frontline Gaming**

As a Tau player, I have to agree that the points sink in markerlights is a balancing factor. However, if you were to play a unit with 3 Riptides, and then run the other two as monats (single suit squads) then you have at least one unit shooting at BS5 natively due to the Fire Team rule for Riptides, Ghostkeels, and the Tau Tank
