The Impact of the Beauty Industry on Society The Effects

It s as if the beauty industry s underlying message to all women is that aging is a bad process that

should be avoided at all costs. Where as while men age they are said to become more handsome, wise, and sophisticated. This gives young women an unfair message that their natural cycle of aging is bad.

7 Ways The Beauty Industry Convinced Women That They Weren

Every year, women spend billions of dollars in exchange for beautiful hair, luxurious eyelashes, and smooth, silky skin. Still, many of our culture's most common beauty procedures were virtually nonexistent a century ago. The truth is, many of our expectations of feminine beauty were shaped in large part by modern advertisers.
