### **American Visions The Epic History of Art in America**

Writing with all the brilliance, authority, and pungent wit that have distinguished his art criticism for Time magazine and his greatly acclaimed study of modern art, The Shock of the New, Robert Hughes now addresses his largest subject: the history of art in America. The intense relationship between the American people and their surroundings has been the source of a rich artistic tradition.

### **Visions of America Photographing Democracy by Joseph Sohm**

See the video Preview of Visions of America!. Readers Digest Edition ~ Updated for 2012! (New edition available soon) Visions of America addresses a single question: How do you photograph democracy? After all, democracy is an idea, and not something one can easily wrap one's lens around. But photographing democracy is indeed what Joseph Sohm has done in this epic journey across the fifty states.
