## **25 Things Successful Teachers Do Differently**

Successful teachers know when to listen to students and when to ignore them. Right on the heels of the above tip is the concept of discernment with student feedback. A teacher who never listens to his/her students will ultimately fail. A teacher who always listens to his/her students will ultimately fail.

## **Book Review What Great Teachers Do Differently**

A few critics have dismissed What Great Teachers Do Differently: 14 Things That Matter Most as lacking practicality. I attribute that to the tendency in education to look to another program, another quick fix that search for one miracle quality we can instill in all teachers to make them great, as if teachers were robots to be programmed.
